

Dear Business owner,

Salem Visionary News is a new community created and supported publication. It will be distributed widely throughout Salem, at any business that supports our mission for understanding and action. Your ad dollars also demonstrate your support for this mission. The cost of ads are also among the lowest in town.

The goal of Visionary News is to identify misunderstood issues, to find the reason for current events, and to explore potential resolutions. This is what we call News of the Real: whatever is deepest and truest in ourselves and in society. Salem Visionary News is truly visionary paper.

With any contribution of \$30 or more you will become a tier 3 member, with the benefit of a print advertisement. Higher contributions allow for larger ads.

E-mail all camera ready ads to info@visionarynews.org.

Payment terms: Payment at time of ad placement. Please make checks payable to: Visionary Society. If you prefer to pay by credit card, please call me with the card number.

Any questions? Give us a call anytime.

Sincerely,

Tim King
